

HOW CAN WE HAVE BETTER RESULTS AS LEADERS WITHOUT THE HUSTLE, STRUGGLE AND THE NEED TO BE IN CONTROL OF EVERYTHING?

ONE DAY WORKSHOP IS SPLIT INTO TWO PARTS

1 Rewriting the Script

Identifying and removing inner barriers. Nelson Mandela said "it always seems impossible until it is done" and it's the same with the stories we've

lived with for so long. This is your time to identify those barriers and work with experienced leaders and professionals to help you rewrite that script.

2 Leveraging Your Strengths

Understanding your unique abilities and how to use them effortlessly and with ease. What is your ultimate strength as a leader, what are you doing so well that

you don't even know you are doing it?

FREEDOM TO BE YOU

Date: 20th January 2022
Time: 7:30 am to 3:30pm EST / 2:30 pm to 9:30pm CET

Focus of this workshop is on you and your personal experiences.

The whole program consists of a one day workshop, followed by the month of reflections and 121 coaching and mentoring by Jan and Mira and a wrap-up session at the end.

One day workshop is split into two parts; first, we will be looking into what is holding you back to finally relax in your role and enjoy your work and secondly, understanding who you are, your strengths and how you can leverage them.

In the following month, you will have two 121 coaching sessions with Jan and Mira to help you make sustainable changes and implement insights and learnings resulting from the first day.

Finally, we will all meet on Dec 3rd in a two-hour session for a recap and celebration.

We are looking forward to meeting you.

With Love,

Jan and Mira
